

Age: 26  
 Height: 5'9  
 Hometown: [Long Island](#), New York  
 Agency: Aqua [Model Management](#)

Whole wheat and brown rice. I swear by it.

How were you discovered:

MySpace (believe it or not!)

Career highlight:

Achieving 7 magazine covers within a short period of time.

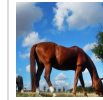

Career lowlight:

Successfully being able to say I can operate on 2 hrs of sleep (and this is not really good!)

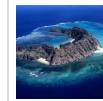

Do you prefer fitness bookings or more of the high fashion looks, when shooting:

I personally like fashion better. I've always been into fashion and love picking out and shooting new clothes and outfits!

What's your secret to staying in perfect shape:

While Looking For Self-Cleaning Windows, MIT Scientists Found A New Source Of Green Energy

The one item from your wardrobe you would save in a fire:

All of my Esposito Collection clothes 😊 (Phil really is a fan!)

If you could raid anyone's closet it'd be:

Tom Ford

The artist getting a lot of play on your iPod right now:

Lorde-Royals

If you weren't modeling you'd be:

Hustling drugs on a street corner. Haha-OK, not! I would probably still be working in restaurants looking for a full time good job! Isn't that what all us models do?

Your best quality:

I never give up on any project given to me.

Your worst quality:

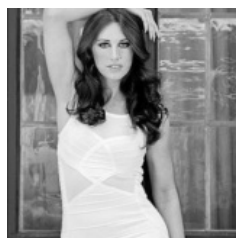

Never taking no for an answer.

If you could change one thing about your body, it would be:

My height! I would like to be taller. I guess we can't win them all!
